Title Page Text [Edit] If you work with prescriptions or medical orders, chances are you will need to be familiar with electronic prescribing soon. Whether you are a health professional, physician, office manager, or medical secretary, THIS BOOK will provide the information you need to know for safe electronic prescribing by exploring how e-prescribing works, recognizing what e-prescribing features can help hinder safe prescribing, and offering practical advice for implementing e-prescribing. Not only will readers learn to use electronic prescribing technology safely, they will gain an appreciation for the roles their fellow healthcare workers play.
