This unique, shaped plastic case contains everything kids need to play along with the

famous story of Noah's Ark. The story of Noah, his ark, and the animals two-by-two are all in this portable playset, and a carryalong case makes the play fun and accessible. A storybook contains the epic story, but the case contains a collection of activities including songs, snack recipes and games, along with the play scenes for kids to place more than 20 magnetic shapes including Noah, all of their favorite animals, and the elements of the story. Makes for hours of fun, at home and on the go.
