"Exam 70-431, SQL Server 2005 Implementation and Maintenance" is from The Microsoft Official Academic Course (MOAC) courses mapping to the Microsoft Certified Technology Specialist (MCTS) 70-431 certification exam. "The MOAC IT Professional"

series is the Official from Microsoft, turn-key Workforce training program that leads to professional certification and was authored for college instructors and college students. "MOAC" gets instructors ready to teach and students ready for work by delivering essential resources in five key areas: instructor readiness, student software, student assessment, instruction resources, and learning validation. With the Microsoft Official Academic course program, you are getting instructional support from Microsoft; materials that are accurate and make course delivery easy.
