"The Culture and Customs" series delivers a fresh, modern perspective on individual countries for which detailed information is most in demand in the school curriculum and library. Each volume is written by a country expert to especially meet the needs of students and the general reader. Chapters cover crucial topics such as: the land and history; the people, language, food, and traditional dress; religion and thought; social customs and lifestyle; media; literature; marriage, family, women's roles, and education; performing arts, music, and cinema; and, art and architecture.
