Compiled by a team of distinguished law professors, the 2008-2009 edition of INTERNATIONAL INCOME TAXATION: Code and Regulations--Selected Sections serves

both students and practitioners in accessing the laws and regulations for U.S. international tax. For students, the INTERNATIONAL INCOME TAXATION: Code and Regulations--Selected Sections is a popular companion to an international tax coursebook for use in undergraduate or graduate courses in law and business schools. For practitioners, the book is an exclusive convenient desk reference. Unlike the full multi-volume Internal Revenue Code and Income Tax Regulations, this single-volume reference travels well between home and office -- and between classroom and dorm. The book features a reader-friendly large 7-1/4" x 10" format with new larger type fonts for enhanced readability.
