出版时间:2008-5-8

装帧:Paperback

isbn:9780199536122

Julius Caesar's exciting plot, brilliant rhetoric, and searching characterisation have made it one of Shakespeare's most popular plays with both readers and theatre-goers. Introducing this thoroughly reconsidered edition, Arthur Humphreys provides a fresh look at the play's date and its place in the Shakespeare canon and examines Shakespeare's transmutation of history into drama. He investigates the play's ethical and moral concerns in a section on Roman values and analyses its fortunes in performance, from its immediately successful first staging to modern productions for cinema, television, and stage. **ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
