Beautiful princesses, brave princes, and magical fairies populate "The" "Best Fairy

Tales in the World." The fourteen children's classic stories will transport you to a world of beauties and beasts, tortoises and hares, and princesses and peas. The classic stories include: Beauty and the Beast, The Pied Piper, Puss in Boots, Princess and the Pea, Twelve Huntsmen, Turnip Book of Spells, Tree in the Woods, Chico and the Crane, Tortoise and the Hare, Ant and the Cricket, Fox and the Stork, Minotaur of Crete. Each book in the "Best Stories" series is filled with classic, well-known stories that capture magic, imagination, and inspiration for all readers. The popular themes include fairy tales, myths, princess stories, and provide parents with a collection of perfect lap-time reading stories just right for young children. Delightful illustrations and simple text will engage children to develop early literacy skills and reading comprehension. Each book includes a durable padded cover and a ribbon bookmark.
