"Routledge-Cavendish Core Statutes" provide a comprehensive series of essential

statutory provisions for the core subjects and major options on the LLB or GDL. Each book in the series provides the precise wording of Acts of Parliament and is unannotated, making it ideal for both course and exam use. It is updated annually to incorporate all of the latest legislation covered in most UK law syllabi. It features consolidated amendments, avoiding the need to cross-refer to amending legislation. It contains detailed contents, listings, and comprehensive index for ease of navigation and research. This edition of "Criminal Law" has been compiled and updated by D.G. Cracknell and is up-to-date as at 1st June, 2008.
