In this book, bracelets, necklaces, earrings and other jewelry will be decorated and constructed with found paper, photos and beautiful scrapbook papers. Beads will be fashioned from rolled paper, covered with decoupage, and molded with paper craft

accessories. Paper-like materials, such as vellum, transparencies, shrink plastic and printable fabric paper will be punched, cut, shrunk and rolled into mini wearable masterpieces. Paper will be folded into lockets, embedded into belt buckles, and glued into unique shapes, all in the pursuit of personal adornment. It is illustrated step-by-step and includes instructions and templates.
