In the fifth installment of the award-winning "Temple of Witchcraft" series, popular

author Christopher Penczak explores the Descent of the Goddess. In the myth of Inanna, the Goddess journeys through seven gates to attain entrance to the Underworld and learn its secrets; in the book, this descent will be paralleled by the reader as he or she journeys through each of the seven chakras, symbolically evolving from survival to a state of divinity. Each lesson has meditations based on the Underworld journey teachings, as well as an advanced discussion of some facet of magick or witchcraft often overlooked by intermediate books. This guide is for solitaries, eclectics, and non-traditional Witches hungry to go further, deeper, and experience the mysteries.
