这次标题介绍了1949至1989年间民主德国(东德)的设计。特意收藏精选大量柏林墙拆除之前的东德特色商品与产品。  
从食品到家用电器，东德包装和产品设计严肃之余又带着点庸俗 -  
揭示了德国流行历史一个鲜为人知的一面。封面图片由Hans Martin Sewcz提供。

This title presents East German Design - 1949-1989. This eccentric collection of goods features East German consumer products daringly acquired before the wall was broken down. From foodstuffs to household appliances, East German packaging and product design - sober yet slightly kitsch - reveals a little-known side of German popular history. The cover image is presented by Hans Martin Sewcz.
