Why is the rainbow getting shorter? Tillie discovers Hecatey the Hideous, King of the Hobgoblins, is planning something no one would ever think of doing, and the beautiful sprites who create the rainbows are counting on Tillie to stop him. Hecatey steals the thread from the rainbow to create a dazzling magic cloak, knowing that when he wears it, he has the power to suck the color from whatever he passes--turning everything dull and grey. This way, the wicked hobgoblin king believes he'll become the most magnificent sight in all the land. He succeeds, but in a way he doesn't expect. Designed to be very easily read aloud, "The Rainbow Weaver" is a unique picture book appealing to both children and grown-ups, reminding us that magic is for all ages, not just for little children.
