This is a photographic essay documenting the four seasons of a Connecticut garden as seen and photographed through the eyes of Mar Jennings. This remarkable journey takes you on a private tour of his enchanting Westport, Connecticut gardens and vine-covered garden studio. Using a seasonal approach, Mar leads you on a detailed tour beginning with the emerging colours of spring. This book provides beautiful garden design, detail and implementation ideas that are easy enough for novices and interesting enough for seasoned gardeners. Chapters divide the book into each part of the year; gardening advice, gorgeous photos, and a recipe and cocktail all help you celebrate the changes in nature. Mar's no-nonsense approach keeps it simple so that

anyone can learn, enjoy, and enhance the many benefits of a gardening experience. You will be inspired and delighted by this charming book.
