From a Manhattan loft choreographed for entertaining to Arts and Crafts in a woodland glade, to embassy elegance in Washington, D.C., Barry Dixon has seen and designed it all. As one of America's top up-and-coming designers, Dixon's work is a masterful

blend of traditional and contemporary that mixes color and texture in creative ways that have clients across the country clamoring for his designs. Barry Dixon Interiors was written by well-known author Brian Coleman (Scalamandre; Farrow & Ball), with luminous photography by Edward Addeo and a foreword by Sherrie Donghia, is the highly-anticipated first book to highlight Dixon's innovative designs. His work has been featured in scores of publications, including House Beautiful, Better Homes & Gardens, Traditional Home, and more, and Dixon's own furniture and soft furnishings line is carried in showrooms nationally.
