Caramel Swirl Brownies, Pumpkin Spice Muffins, Lemon-Poppy Seed Pound Cake, Peanut Butter Blondies-all of the recipes that made the original Mom's Big Book of Baking so well loved are back. It's the packaging that's had a makeover, and now these recipes are presented in the fun, full-color format of Mom's Big Book of Cookies, complete with a lay-flat spiral binding that is sure to come in handy when baking Chattman's irresistible goodies. Editor's note: some reviews for this book are based on an older edition of Mom's Big Book of Baking. The new 2008 hardcover edition now has lay-flat binding and full color photographs.
