With the rising interest in organic and locally grown food, there is also an increasing interest in connecting the farm to the table. *Chefs on the Farm* describes the seasonal workings of Quillisascut Goat Cheese Farm, a small, family-run business in northeastern Washington state. There, owners Lora Lea and Rick Misterly started a "Farm School for the Domestic Arts" where every summer, professional chefs, culinary students, food writers, and others live and work on the farm. Cooking only with

ingredients they find on the farm, students learn to be connected to the food they work with.
