Whether you are a new officer or in need of a mentor, *From Buddy to Boss: Effective Fire Service Leadership* is a must-have management book you'll turn to over and over again. Fire service veteran Chase Sargent has taken his popular course and written a no-holds-barred leadership book for the fire service in a conversational and easy-to-read style. He tells you how to accept and survive politics, deal with the fringe employees, and keep your cool -- tricks of the trade that usually take years to acquire. In this book you'll learn: Your credibility is a valuable currency that takes time to build up--what you do, not what you say, is the ultimate test of your credibility, reinforcing your expectations; that leadership requires individuals and organizations to create an environment where people and their ideas can thrive; how to use stories to impress upon our new members the necessity of doing certain things; the quickest ways to lose trust are to inconsistently apply and enforce rules and to allow your personal feelings to dictate what you will and won't enforce; why leading by example and from the front, doing not saying, is critical to your success. Reading *From Buddy to Boss* is like turning to a trusted friend for wisdom and advice you can count on to improve your job performance. Use this book to master your leadership as well as your management skills and successfully make the transition to boss. Professionally narrated by Jack Shook. Perfect for uploading to your MP3 player.
