Where would we be without our friends? If we are truly fortunate, we each have one special friend in our lives—the one who cheers every accomplishment no matter how small, who lifts spirits in even the darkest hour, and who knows our deepest secrets and will never tell.

In a look at six of the most iconic best friends of our time, bestselling author Melissa Hellstern crafts a charming celebration of strong women and the enduring bonds that unite them. With pairs like Audrey Hepburn and Sophia Loren, Coco Chanel and Madame Misia Sert, and Julie Andrews and Carol Burnett, *Getting Along Famously* brings these famous friendships down to earth and explores the precious art of friendship and the many forms it takes. These women walked the world side by side building friendships that not only withstood all the joys and sorrows of life, but often encouraged them to reach the top of their professions. Whether through laughter or tears, these dynamic relationships illuminate the importance of friendship in every woman's life.

Part surprising biography, part tribute to the unique bonds of friendship, *Getting Along Famously* will remind you of your delight in your own friends and is the perfect book to share with those women that mean so much you choose to call them family.
