For many students, the concert going experience is entirely new; they are not sure what to wear, how to plan for the event, when to applaud, how to use the program, and how to evaluate what they have heard. There are many different types of concert going opportunities: from traditional classical recitals to church choir performances to jazz and rock clubs, each having its own special etiquette and rules for behavior. This book will offer a concise, friendly guide for the student to how to attend and enjoy concerts as a lifelong activity.
