Encouraging Christians to call for public policies that benefit those most vulnerable in our nation, *To Do Justice* offers tools for studying complex domestic social problems such as Social Security, immigration, the environment, and public education, and serves as a guidebook to becoming involved in social action. Rooted in Christian tradition, each essay analyzes a contemporary problem from social, biblical, and theological perspectives before providing directions for public policy. These engaged ethicists from across the mainline denominations provide concrete examples of how progressive-minded Christians can work for justice in response to these moral dilemmas. With discussion questions in each chapter, this book is an excellent resource for classrooms--both in colleges and in churches.
