OpenMix is an innovative new way to learn the production secrets of the pros. The original session files on the interactive DVDs let users hear and experiment with three professionally mixed tracks and browse the settings of each instrument used. The easy-to-follow text guides you through the entire arrangement and production process, and teaches how to apply these principles to your own music. Includes a 14-day free trial of the acclaimed Waves program. PC and Mac compatible. Supports all major DAW hosts.
