The best of hunting humor from America's most beloved sporting cartoonist. No one understands the challenges and frustrations of the outdoorsman's life like John Troy, and no one makes the maddening business of hunting so riotously funny. Anyone still kicking himself over a missed shot, anyone wishing that his hunting dog had paid more attention in obedience school, or anyone who has ever been confounded by the antics of a pesky squirrel will enjoy this hugely delightful collection. In typical John Troy style, we are treated to one-panel lampoons of shooters who can't hit stuffed animals, bears that beat up hunters, and ducks that make their own decoys. They're funny because they're true. Hilarious Hunting Cartoons will delight both novice and experienced hunters and will make an excellent gift for yourself or a passionate hunter you know. 170 color illustrations.
