This is a concise legal desk reference to help educators support the rights of

individuals with disabilities! This resource provides an expert review of the requirements of Section 504 of the Rehabilitation Act and the Americans With Disabilities Act (ADA) and their impact on educational opportunities and access for persons with disabilities. Ideal for administrators, counselors, teachers, and special educators, the book covers: Provisions of Section 504 and the ADA regarding students who participate in educational programs and services; requirements affecting students in public Ku12 schools, private schools, and post-secondary institutions; the rights of employees with disabilities; and, legal considerations involving parents.
