Dale Chihuly is probably the best known glass artist in the world, for more than forty years he has been creating remarkable works of art that explore colour in great depth."Chihuly Black" offers a lavishly illustrated exploration of Chihuly's use of black

in his works, and how he constantly strives to go beyond the borders of contemporary perspective. Also included is an essay that describes the historical relevance of black in glass, and looks at Chihuly's influence in its use.
