Horror lurks in the darkest places of the World of Darkness. They are the Nosferatu, outcast and shunned. They are the nightmares that lurk just beyond the safety of the firelight, waiting with wicked fangs and unclean hungers for those who stray too far into the night. But even the night terrors have things to fear. Come, and learn of them.

A Clan book for Vampire: The Requiem

Uncover the filth-ridden origins of the Nosferatu in ancient Greece, where they haunted the Mediterranean nights as the god-plagued nosophoros.

Explore the Necropoli of the Nosferatu, the warrens where the horrors dwell.

Discover the many faces of the clan: the bizarre, the vile, the battle-hardened and the hidden.

New Merits, bloodlines, Discipline powers and clan secrets that every Vampire: the Requiem player will want to have.
