It's never too soon to teach children the value of kindness, from " Ask someone to play with you." to " Zip a younger child's jacket." Other ideas: " Help clean up after dinner." " Read a story to a younger child." " Think before you speak. Choose kind words." Simple words and beautifully engaging illustrations invite children to show kindness in their daily lives. Each letter, each idea is a step toward becoming more caring and compassionate...and making the world a better place.
