Makiguchi and Gandhi explores ideas about Japanese educator Tsunesaburo Makiguchi (1871-1944) and Indian political leader Mahatma Gandhi (1869-1948) as examples of inspiration for large mass movements in the 20th century. Based on research done in Japan, India, Hawai'i, and the United Kingdom, this book breaks new ground by examining and theorizing the fate of dissident thinkers and raises the question often asked by both Gandhian and Soka scholars alike- were they truly radical thinkers?
