Now in its third edition, this popular book has sold over 150,000 copies. It's a must for every dog lover! Mention dog food, and even dogs may turn up their noses. Unknown ingredients, preservatives, and/or mysterious meat-like concoctions need not be the latest trend in canine cuisine. In The Doggy Bone Cookbook, dog owners can easily bake love and nutrition into their furry friends diet. This fun book grew out of testing hundreds of recipes. Each book comes with a bone-shaped cookie cutter and easy-to-bake veterinarian-approved recipes ranging from Peamutt Butter, Bark-B-Q, and Cinnabone, to Dig 'n' Cheese, Santa Paws, Yappy Birthday and Howl About a Mint. New to this edition are added recipes for holidays and flavorful recipes for everyday! Color illustrations appear on every page, and quotes from canine connoisseurs testify to the quality of these tail-wagging snacks make this a perfect gift for any dog owner or for your very own dog.
