Instant Immersion workbooks include essential vocabulary, dialogues and exercises in every chapter. Phonetic pronunciation and translations as you progress along with cultural impressions with everyday native expressions. Also included are flash cards and stickers for easy word and phrase recognition thru repetition, a full color map from National Geographic as well as a Portable Video Phrasebook MP4 DVD-Rom. Transfer key audio and video phrases from your computer to iPod, MP4, mobile phone, PSP or other multimedia players. Perfect for travelling and on the go learning.
