For every chapter, the "Study Guide" will include a "Preview" and "At A Glance" sections (both provide an overview of and objectives for the chapter). Each major topic includes a progress test, comprised of multiple-choice, matching, and/or true/false questions. The Guide also contains "Graphic Organizers," which encourage students to complete

graphs, charts, and flow diagrams that ultimately provide a visual synopsis of text material. End-of-chapter material includes "Something To Think About" sections, which contain thought provoking questions designed to encourage critical thinking and application of the material.
