Political theorists are too often silent on questions of method and approach. David Leopold and Marc Stears have assembled a distinguished group of contributors to break that silence and to explain and defend the research methods they utilise in their own work. The result is a rich and varied collection which does not suggest that there is only one right way to conduct political theory, but rather introduces readers to many of the often unelaborated methods and approaches that currently inform the work of leading scholars in the field. Amongst the topics covered are the complex and contested connections between political theory and a range of adjacent disciplines - including moral philosophy, the empirical social sciences, the history of political thought, the world of 'real' politics, critical social theory, and ideology. Both individually and as a collection, these essays will promote understanding and provoke further debate amongst students and established scholars alike. They will be encouraged to reflect on their own methodological assumptions, to re-examine the practical tools of analysis they employ, and to re-evaluate why the research they do matters.

三星半，大一大二讀還蠻好的，牛味太濃了…

非常浅显和简单的一部文集。严格地来说，倘若按照作者在序言里所说的，希望此书能够为政治理论学习的学生提供一部简洁明快的问题解决式的manual，感觉是让人颇为失望的。早稻田入学之后Political Theory的阅读参考书里就有此书，然而，就像Kohno教授所言，读完之后，也感觉不过是一些教授谈论了一些自己对于政治哲学的感想，仅此而已。Formal Models那一节也是中途半端，意味不明。尽管不是说此书毫无帮助。但是，至少今年似乎早稻田的political Theory的参考书里把此书换成了Methods in Analytical Political Theory 2017了。嘛~坦率地说，我自己并没有很深的印象，也没有受什么很大的启发。
