In this heart-stopping novel, Jill Sorenson delivers a romantic thriller featuring one

too-tough female agent, one too-hot male suspect, and a head-on erotic collision....

Though he’ d gone into virtual seclusion, Ben Fortune was still the world’ s most famous surfer, known as much for his good looks as for his skill. He’ s also a suspect in a series of brutal murders that may have begun with his late wife. Now FBI Special Agent Sonora “Sonny” Vasquez has been sent undercover to the elite beach community of La Jolla to make friends with Fortune. With her fierce beauty and take-no-prisoners attitude, she’ s more than equipped for the job, and soon she and Ben have collided in an affair that is both intense and irresistible. But for the first—and worst—time in Sonny’ s career, her emotions are threatening to get the better of her. Could this sensual, wounded man, who is genuinely anguished over his troubled daughter, really be a killer? And could falling in love blind Sonny to the greatest danger of all?
