出版时间:2008-11-30

装帧:Hardcover

isbn:9780313350344

This book offers an updated look into the Victorian world, including a new chapter on electronic research. An expanded edition of one of the most popular "Daily Life Through History" books, this volume features a fascinating glimpse into Victorian daily living, including women's roles; 'Victorian Morality'; leisure; health and medicine; and life in all settings, from workhouses to country estates. The new edition features an extensive guide to contemporary primary source material and further research, including information about finding authoritative sources easily on the Web. New illustrations, interactive sidebars, a chronology and glossary further illuminate the details of Victorian culture. This volume is an ideal source for students and teachers alike. Explore Victorian England during its transition from provincial society into modern urban power. Discover the effects of increased women's rights, technological advances, and Charles Darwin's discoveries on everyday life. Engaging narrative chapters explore all aspects of the Victorian experience, including: fashion, morality, courtship and mourning rituals, crime and punishment, public school requirements, legal status (marriage, divorce, inheritance, guardians, and bankruptcy), sports like croquet and foxhunting, and the importance of religion.
