No past. No future. Only now. Originally a self-publishing success launched on N. Frank Daniels's MySpace page, the novel "Futureproof" tells the story of Luke and his friends as they navigate Atlanta's subculture of delinquents. In short order, the seemingly harmless high from his first cigarette sends Luke on a downward spiral that ends only after years of self-abuse. It is an extreme cautionary tale told with sensitivity, ferocity, and grit.
