REA's Premium Edition Flashcards with CD-ROM...the Best Medicine for the USMLE
Hundreds of Must-Study Questions and Answers REA's Interactive Flashcard(R) book
for the USMLE (United States Medical Licensing Examination) Step 1 exam helps
medical school students check their test-readiness before taking this crucial exam.
This book is the perfect refresher and offers busy students a quick and convenient way
to practice answering questions. This handy study guide contains more than 600
must-study questions that cover all official test categories found on the USMLE Step 1
exam. The Premium Edition with CD-ROM also contains four test-readiness quizzes
with 100 additional questions and answers not found in the printed book. As an added
bonus, we've also included six full-color anatomy charts covering: The Muscular
System The Digestive System The Nervous System The Lymphatic System The
Cardiorespiratory System The Circulatory System/LI/UL Unlike most flashcards that
come loose in a box, our flashcards are bound in an organized, portable book that
makes studying a breeze. Students can write their answer on the front of the card, and
then compare it to the answer on the back of the card. It's the perfect way to test your
knowledge and review the material while on the go. Fully indexed for smarter study,
this book is an indispensable asset for anyone taking the USMLE Step 1
