Are You Serious About Scoring a 5? Then Become an Art Expert with REA's AP Art History Test Prep Our new, expanded second edition with CD-ROM includes a fast review and full index - specifically designed for students serious about scoring a 5 on

the exam REA's landmark AP Art History test prep is now available in a second edition. Now bigger and better than ever before, this new edition includes a fast review and a full index. Spanning the world of art from ancient to modern times, this test prep is based on the material found on the official AP Art History exam. The comprehensive, up-to-date review covers every exam topic: Ancient through Medieval, beyond European Artistic Traditions, the Renaissance to the Present, and more. But our test prep doesn't just talk about the art, we show you the art Each work of art referenced or represented in the book appears on a CD in full color - allowing you to view more than 400 art images The CD-ROM contains the book's two full-length practice exams in a timed format with instant scoring, providing the closest experience to the actual test. The CD also includes full explanations for each answer to help you study smarter. With REA's AP Art History test prep, you'll become a connoisseur in the world of art
