The memoir of a love affair between a woman and her dog. No doubt Maggie was a special dog-a beautiful and exuberant black lab who gave years of unconditional love to her owner Kairns. Throughout their years together, Maggie taught Kairns much about the emotional intelligence of animals and the importance of trusting one's intuition when caring for a pet...Kairns offers a tantalizing glimpse into the possibility that her bond with Maggie was so deep that she had prophetic dreams in which she predicted the untimely death of her dog to an undiagnosed cancer...Tenderhearted and sincere...-Kirkus Discoveries
