You HAVE THE ABILITY, right now, to create anything you dream for yourself and others. Open this book and enter The Circle.What if a single wish could change your life? It can -- if you know how to use it to harness the energy that you never knew existed within

and all around you. This is the promise of Laura Day's "The Circle." Each of the book's three sections -- Initiative, Apprenticeship, and Mastery -- features exercises that lead you to discover the hidden potential in yourself, in others, and in the surrounding universe. By the end of The Circle, you will know how to use your own wishful thinking as a force for powerful change. This edition also includes a never-before-published workbook that will help you transform your life faster than you ever thought possible.
