Upgrade your computer skills "Teach Yourself Basic Computer Skills Windows XP," Second Edition, will help you get up and running, quickly and simply. It is a cost-effective alternative to buying an expensive manual for each application. The book is the most up-to-date book on XP on the market. With step-by-step instructions, minimal jargon and detailed explanations of all the technical terms, this book will give you the confidence to move forward and expand your knowledge. Based on all operating systems up to and including Windows XP, this second edition has been updated for Internet Explorer 7.
