As the jungle rains diminish, a feud breaks out between Mesis Ashanti tribe and their neighbors, the Kienese. As tensions grow high, Mesi finds a friendship she must keep a secret. But she is faced with the decision as to what cost shes willing to pay in order to keep the secretand her new friend. Will she lose her best friend Kwasi? Anger her family? Or even bring destruction to her entire village? About the Girls n Grace Collection Similar to the American Girl series model, Girls n Grace follows several characters who are set in modern decades. The unique aspect of this series is not only will girls from other continents be featured but all of the characters in their series of books will come to know fully the grace that only God can provide.
