Why have a family reunion? How can you keep reunions going? These questions and more are answered in *Secrets of Successful Family Reunions*, a how-to guide from a family of experts. This family solved the problem of rootlessness, caused by the mobile society following World War II, by instituting family reunions. By following the formula easily shared within the pages, your family too can build a legacy like author Robert W. Uncle Bob Wolfes family sixty years of reunions, forty of which were annual reunions. By addressing how to start reunions, what to do during them, and how to gain and maintain interest from all ages, the instruction is simple enough that anyone can get started, using these creative, seasoned, and successful ideas to make their reunions more meaningful. If you have ever been concerned that your family is not passing on your family values and traditions to future generations, dont miss this book. If you ever thought that meaningful family reunions were too expensive, too much trouble, or not worth the effort, learn how one family from Americas heartland has kept reunions simple, meaningful, and ongoing. You family will appreciate it for generations to come. Uncover why in *Secrets to Successful Family Reunions*. Endorsements: Bob Wolfes book on the *Secrets of Successful Family Reunions* is a great tool to help you make sure the generational values that have shaped your family are not lost in our high-tech, low-touch world. - Rev. William Batson, MA Founder/President Family Builders The *Secrets of Successful Family Reunions* offers insightful observations about family reunions.
