When kids teach kids about dogs, everybody has fun. Read this book and you'll learn how to watch a dog and figure out what he's feeling. You'll know whether a dog is happy or wants to be left alone, and you'll learn how to teach him to do cool things like

"Sit," "Come," "Lie Down" and have good manners around food, just like a professional dog trainer would. Show everyone how you can help a dog be a Good Dog
