Following in the footsteps of her late father, weather wizard Sherman Tucker, Florida meteorologist Kelly Tucker loves the exhilaration of flying through gales to reach the eye of a hurricane. And just as thrilling is her chance meeting with daredevil storm chaser Ross King. During the heat of a tropical tempest Kelly becomes attracted to Ross -- despite believing him to be responsible for her father's death in a violent tornado. When someone tries to sabotage her work and destroy her father's legacy, Kelly turns to Ross for help. Suddenly she finds herself hurled into a whirlwind of danger, betrayal and turbulent desire...
