Who was Shakespeare? Why has his writing endured? What makes it so endlessly adaptable to different times and cultures? And how has Shakespeare come to be such a powerful symbol of genius? The Genius of Shakespeare is a fascinating biography of the life and afterlife of the greatest English poet. Jonathan Bate, one of the world's leading Shakespearean scholars, deftly shows how the legend of Shakespeare's genius was created and sustained, and how it has become a truly global phenomenon. 'The best book about Shakespeare for a generation' Philip Howard, The Times 'As brilliant an account of the Bard's iconic universality as you could hope to find' Michael Billington, Guardian 'Absolutely dazzling illuminates the whole man and the influence he has in our lives' Simon Callow, Sunday Express 'Occupies the territory of biography, literary criticism, theatrical and social history, and a journey across its landscape is one of constant delight and illumination' Sir Richard Eyre, Financial Times, Books of the Year 'The theme of this wonderfully written, diverse book is diversity itself, and the range of the essays serves only to confirm the disparate nature of Shakespeare's achievement' Peter Ackroyd, The Times 'The liveliest and most intelligent general book on Shakespeare I have read for a long time' John Gross, Sunday Telegraph, Books of the Year

What a book!这个既不是传统意义的传记，也不是针对某一步或者莎翁的全部作品分析，作者描述了和莎翁有关的不少趣闻，也从全新的角度试图探索为什么莎翁是个天才，不到400多页的书内容丰富且见解独特。和莎翁作品还有其人的研究著作多如牛毛，我本人看的不多，但是能够达到Jonathan Bate水准的，我想恐怕不太常见吧
