It's a very hot day and the Mole Sisters need a nice cool breeze. They start to fan themselves. Then a dandelion pipes up that he's hot too. Soon all the other dandelions want to be fanned as well. Now the Mole Sisters are covered in dandelion fluff... until a nice cool breeze comes along. "It's just what we needed." "Swoosh, swoosh." "A nice cool breeze." About the series: The Mole Sisters make the most of each day. Full of fun, imagination, and quiet confidence, these are small creatures with very big hearts. Their unfaltering optimism is contagious, bringing smiles to faces everywhere. With bright, lush colored-pencil artwork, Roslyn Schwartz conveys the Mole Sisters' love for life with a minimum of text that is easy to follow and invites preschoolers to join in with its

rhythmic cadences.
