

# Prescott's Microbiology with Connect Plus Access Card

[Prescott's Microbiology with Connect Plus Access Card\\_下载链接1](#)

著者:Joanne Willey

出版者:McGraw-Hill Science/Engineering/Math

出版时间:2010-03-05

装帧:Hardcover

isbn:9780077403270

The author team of "Prescott's Microbiology" continues the tradition of past editions by providing a balanced, comprehensive introduction to all major areas of microbiology. Because of this balance, "Microbiology" is appropriate for microbiology

majors and mixed majors courses. The new authors have focused on readability, artwork, and the integration of several key themes (including evolution, ecology and diversity) throughout the text, making an already superior text even better.
