

An Introduction To Old English

[An Introduction To Old English 下载链接1](#)

著者:Richard Hogg

出版者:Oxford University Press

出版时间:2003

装帧:

isbn:9780195219487

This accessible overview covers all the basic linguistic elements of Old English, including nouns, adjectives, verbs, syntax, word order, and vocabulary. Offering a unique study of Old English in context, it combines a wide variety of short texts with an up-to-date assessment of the forms of language that remain as the foundation of English today. Comparisons are drawn between Old and present-day English and also with other related languages such as Dutch, German, and French. Old English poetry and dialect variation are also discussed.

作者介绍:

Richard Hogg is at University of Manchester.
