Watch your students self-confidence soar as they become fluent in the use of English idioms and expressions... This two-level program closes the gap between classroom and authentic language with: Well-structured, cumulative activities, practice, and review; Student-centered activities within uniform chapter format; Integrated listening,

speaking, reading, and writing; Chapter Reviews for quizzing and testing; A New Expression Log for recording new expressions and Index/Glossary of definitions for every expression; A Grammar Guide for parts of speech, phrasal verbs, and gerunds; and An Audio Program for each level that provides students with the opportunity to listen to snippets of Conversation to determine whether or not expressions are used correctly. . Join the Club 1 (Low-Intermediate to Intermediate) is structured to help students quickly internalize 135 of the most common and useful English idioms and expressions.. . Join the Club 2 (Intermediate to Advanced) features over 400 more expressions to be practiced and reviewed... This audiocassette is designed to accompany the intermediate to advanced level student book..
