Watch your students' self-confidence soar as they become fluent in the use of English idioms and expressions. This two-level program closes the gap between classroom and authentic language. "Join the Club 1" (Low-Intermediate to Intermediate) is structured to help students quickly internalize 135 of the most common and useful English idioms and expressions. AudioProgram CD available. "Join the Club 2" (Intermediate to Advanced) features over 400 more expressions to be practiced and reviewed. Audio program CD available.
