著者:R. Klanten

出版者:Die Gestalten Verlag

出版时间:2010

装帧:full color, softcover

isbn:9783899552843

Velo introduces a wild bunch of passionate cyclists – frame builders, urban planners, artists, photographers, and those who ride professionally – who are making an impact. They are not only shaping styles, but promoting cycling as a primary form of transport. The book also explores the aesthetic of today’s cycling culture and presents

custom-made frames and art bikes as well as a selection of contemporary illustration and design influenced by the cycling movement. Geared toward anyone who has a personal or professional interest in cycling, Velo is the fast lane into a current topic that is both entertaining and socially relevant.
